

# Summer at the Warehouse

## *Revelation Study*

Join Pastor Louis in studying Revelation on Wednesday nights beginning July 16th in Groundworks Café. Remember to pray for Pastor Pat who undergoes ankle surgery during this time.

## *Marriage Seminar*

September 13, 14 Don and Jean McClure bring their popular Christian Marriage Seminar to the weekend services. An additional Saturday morning brunch for women is planned, Saturday the 13th.

Warehouse Christian Ministries  
9933 Business Park Dr Sacramento CA 95827

Check out our new website at [warehouseministries.org](http://warehouseministries.org).  
New features include convenient online giving, links to youth ministries, news and frequently updated schedule. Please register your e-mail there.

## *Christ in the Home Series*

Pastor Neely begins a six-week series on the Christian Home in the Sunday services July 12-13. The study teaches how to exemplify Christ in every phase of child development in both the single parent, two parent and blended-family homes. Subjects will include Training Up a Child, Raising Godly Children, Parenting Together, Conflict in the Home, Loving Discipline, Parenting through Teenage Years, Family Devotions and A Peaceful Home.

The study will be based on Deut. 4: "Only be careful, and watch yourselves closely so that you do not forget the things your eyes have seen or let them slip from your heart as long as you live. Teach them to your children and to their children after them. Remember the day you stood before the LORD your God at Horeb, when he said to me, "Assemble the people before me to hear my words so that they may learn to revere me as long as they live in the land and may teach them to their children." Deut. 4:9-10

## *Musical Guests*

June 28,29 Tim Timmons  
[myspace.com/timtimmons](http://myspace.com/timtimmons)

Aug. 2,3 Before You Breathe  
[beforeyoubreathe.com](http://beforeyoubreathe.com)

Sept. 6,7 Evan Wickham  
[myspace.com/evanwickham](http://myspace.com/evanwickham)

## *Camp Dates*

*Youth Camp*

*June 30 - July 4*

*Monday - Friday*

*Kids Camp*

*July 13 - 18*

*Sunday - Friday*

## *Vacation Bible School*

The Children's Ministry raised the bar again this year, transforming the church into a pirate's ship and kicking the summer off with a Vacation Bible School based on the VeggieTales movie "The Pirates Who Don't Do Anything." Over 160 children attended the week-long event and learned about the "True Heroes of God" through teaching, skits, crafts, activities and discussion.

Children's Ministry Director Debbie Gonzalez described a fun filled week of events. "We made pirate headbands, warrior shields and messages in bottles," She said. "In activities we played water games out at the WCM Park along with parachutes, relays and memory verse games."

Pastor Brent Arnold credited much of the week's success to the nearly 70 volunteers who took time out of their busy schedules to give back to the kids. "In addition to all the wonderful children, we have a great workforce of volunteers who have set aside their busy schedules to come and serve," Brent said. "I am touched to see our church get behind this event and use their God-given talents to make this year's Vacation Bible School a success."

The event was not only aimed at children within our church. "The goal is to reach out to kids we have here and in the community with a free event that's fun," Pastor Danny Thompson explained. "And more importantly emphasizes God's love for them."

## *New Youth Camp Location*

Junior and Senior Highschool students headed up to camp this summer are in for a treat. For the first time in Warehouse camp history, students will stay at the Alliance Redwoods Conference Grounds located near the beautiful Sonoma county coast.

In addition to the nicer amenities, students can look forward to a range of never before offered activities including rock climbing, ropes courses, and a skateboarding park.

Highschool Camp Director Mike Phillips explained that the new facility was chosen for it's variety of activities. "Alliance has so much more to offer compared to where we have stayed in the past," Mike said. "There are even more activities including kayaking, paintball, ziplines and mountain scooters that we hope to take advantage of in the future."

## *Worship Album Project*

"The worship album that I'm working on is a culmination of my experiences leading worship in different contexts for the last few years. It is a mix of contemporary songs, traditional hymns, and some original worship songs. Some of the songs familiar to everyone have been changed stylistically to include elements of rock, jazz, and even folk music, which have all been a part of my own musical journey over the years."

Altogether it is a representation of weekend worship at Warehouse, something the congregation can access immediately, and something that shows others what we do here every week."
